Initial Registration and Applicant Information

Register and provide your Initial Applicant Information as follows:

- Register at: nmite.ac.uk/study/admissions/apply-now
- Provide your initial information by completing steps 1, 2, 3 and 4 on the NMITE website*

You'll need to do this on our website on the link above and once you've submitted your information, you'll receive confirmation from our Registrar. Along with instructions for Stage 2.

* In completing and submitting your information as part of Stage 1, you are giving consent for NMITE to process the information you provide in accordance with NMITE's Privacy Statement for Applicants.

MEng Application

After successfully completing Stage 1, you will receive instructions from the Registrar on how to complete your MEng Application. There will be three elements to complete:

- Your supporting statement
- A video submission
- Answers to three essay-type questions

You'll need access to a computer and a recording device (such as a smartphone) to complete Stage 2. You'll receive confirmation of your application and, if successful*, an invitation to Stage 3.

* If your application is determined to be unsuccessful at Stage 2, you will be informed by the Registrar and be provided with the opportunity to request feedback on your application.

Selection Day

After successfully completing Stage 2, you will receive an invitation from the Registrar to attend a Selection Day. Details of dates and where the day will take place, and information about what the goals and activities will be for the day will also be provided.*

The day will take place on site with the NMITE team, so you'll need to be able to travel to Hereford and stay for the day.**

* If your application is determined to be unsuccessful at Stage 3, you will be informed by the Registrar and be provided with the opportunity to request feedback.

** If you require support or assistance to make your trip to Hereford, please contact the registrar at registrar@nmite.ac.uk
