To receive this bursary you need to become a Registered Student for NMITE's September 2022 cohort. There are no other conditions and we won't ask you for any personal information about you or your family's background.

### Application Process:

1. Make an application to study at NMITE, either through our website or through UCAS.
2. You will be notified if your application to study at NMITE is successful; at this stage your eligibility for the scholarship will be confirmed.  
You will also be notified about any other financial awards that may be available, and how to apply for these. Please note that while you may apply for more than one financial award, you can only be in receipt of one.
3. You must enrol on to the course at least 3 weeks before the course start date to be awarded the Trailblazer Scholarship.
4. You will be asked to sign a scholarship agreement.
5. Leave the rest to us – we'll disperse your financial award on the specified payment dates.
