

Schaeffler Sponsored Degree

About

The Schaeffler Sponsored Degree has been kindly funded by the Schaeffler Group, a leading global supplier of motion and mobility solutions the automotive and industrial sectors. For more information visit the [Schaeffler website](#).

The Schaeffler Sponsored Degree aims to attract more women in to engineering by offering a competitive funding package specifically for undergraduates who are female or identify as female.

Award Level per individual:

£5,000 per year, up to a total of £15,000.

Award dispersed in three annual instalments.

Number available for 2022/23: 1

Award Criteria:

To be considered for the Schaeffler Sponsored Degree, applicants must:

- i. Be female, or identify as female AND
- ii. Hold a formal offer to study at NMITE AND
- iii. Complete a further scholarship application by 5pm on 7th August 2022.

Application Process:

1. Make an application to study at NMITE, either through our website or through UCAS.
2. You will be notified if your application to study at NMITE is successful. At this stage, you will be notified about any financial awards that are available for you to apply for. Please note that while you may apply for more than one financial award, you can only be in receipt of one.
3. The Schaeffler Sponsored Degree has a two-stage application process:

Stage 1: Submit a 500-word written statement OR a two minute recorded video in response to the following question:

“How will the Schaeffler Sponsored Degree enable you to make an impact on an engineering issue that is important to you?”

Stage 2: Invitation to attend an interview with a panel.

4. You will be notified within one week of the interview whether your scholarship application is successful.
5. You must formally enrol on to the course before the course start date to be awarded the scholarship.
6. You will be asked to sign a scholarship agreement
7. Leave the rest to us – we'll disperse your financial award on the specified payment dates.

Terms and Conditions:

There may be further Terms and Conditions associated with the Schaeffler Sponsored Degree as stipulated by the Schaeffler Group. These will be made clear to you at the time of application for the scholarship.
