1. Introduction

- 1.1 Although NMITE strives to provide an outstanding experience there may be times when the quality and standard of the educational experience, or wider experience, at NMITE does not meet reasonable expectations. Students are encouraged to make known their concerns as part of NMITE's commitment to continuous improvement, and to make a complaint when appropriate.
- 1.2 Although our advice is that students try to resolve their issues as informally as possible at the point at which the complaint or concern arises, we recognise that this is not always possible and that you may wish to exercise your right to submit a formal complaint.
- 1.3 Please read this Procedure carefully before submitting a complaint, and if you are then unsure of the grounds for your complaint, or the procedures you are required to follow, you can seek advice and support from the Director of Registry and Student Life via registrar@nmite.ac.uk

2. General Principles

- 2.1 Scope of the Student Complaints Resolution Procedure: this procedure only deals with complaints which relate to concerns about the provision of a service or facility, or the failure to provide a service or facility, and where the standard of the service or facility has fallen below the standard that might reasonably be expected. It does not apply to any of the following:

- i. Appealing an Admissions decision - please refer to NMITE's Admissions Policy
 - ii. Academic Misconduct - please refer to NMITE's Academic Misconduct Policy
 - iii. Student Disciplinary - please refer to NMITE's Student Disciplinary Policy
 - iv. Academic Appeals – please refer to NMITE's Student Academic Appeals Policy
- 2.2 NMITE is committed to the early resolution of complaints wherever possible, via facilitated discussion and/or formal mediation where appropriate.
- 2.3 NMITE is committed to addressing student complaints in a manner that:
 - i. encourages informal conciliation and resolution at a local level to the benefit of all parties;
 - ii. treats complaints fairly, transparently and with appropriate seriousness;
 - iii. is carried out in a reasonable and transparent timescale;
 - iv. allows all parties to learn from the experience;
 - v. is in accordance with NMITE's policies and practices;
 - vi. has due regard to any applicable law.
- 2.4 The Student Complaints Resolution Procedure is established on the concept of reasonable behaviour, which although difficult to define with precision is based on the notion that:
 - i. complaints will not be made for frivolous or mischievous reasons;
 - ii. complaints will not be made in an offensive or abusive manner;
 - iii. the stages outlined below will be followed;
 - iv. complaints will be dealt with in confidence and without fear of recrimination;
 - v. the desired result of a complaint which is upheld will result in an improvement in service or resolution of an issue.
- 2.5 NMITE will ensure that using this procedure to resolve issues is fully accessible to all our students (and their appointed representatives) and will signpost students to relevant support services throughout the process.
- 2.6 Although students are encouraged to submit their own complaints, it is recognised that this will not always be possible, and that you may need to

ask a representative to assist you. NMITE will accept complaints submitted by a student representative provided that NMITE receives your personal consent, in accordance with the General Data Protection Regulations. You must provide your written consent for the named representative to act on your behalf and must also confirm the accuracy of the documentation that is being submitted on your behalf.

- 2.7 Where the issues raised affect a number of students, those students can submit a complaint as a 'group complaint'. However, the group must nominate one student to act as group representative. NMITE will only communicate through the representative, and they will be expected to liaise with the other students regarding the complaint.
- 2.8 NMITE reserves the right to reject complaints which it judges malicious, frivolous or lack clear grounds for further consideration. In such cases, the reasons will be given in writing to the complainant.
- 2.9 The making of malicious complaints at any stage of this process may be subject to disciplinary action under the Student Disciplinary Procedures.
- 2.10 Students should have confidence that they will be protected under the terms of a provider's complaints procedure, and it should not be necessary to bring anonymous complaints. Exceptionally, however, an anonymous complaint may be considered if there is a compelling case – supported by evidence – for the matter to be investigated. This may include where a student has experienced harassment, bullying or discrimination. It is the responsibility of the student to explain why they feel that anonymity is necessary. Students should be aware that raising a concern anonymously will likely impede the investigation and communication of the outcome may not be possible. When an anonymous complaint is received, the Director of Registry and Student Life will use their discretion and judgement as to how to handle such complaint.
- 2.11 Complaints may arise over a level of service received, an academic matter, and/or the behaviour of a member of staff or a fellow student.
- 2.12 When making a complaint your responsibilities are:
 - i. to follow the steps as set out in this Student Complaints Resolution Procedure;
 - ii. to demonstrate mutual respect;
 - iii. to indicate the remedy/remedies you are seeking;

- iv. to inform the person/people with whom you are raising the complaint that you are doing so under the Student Complaints Resolution Procedure;
 - v. to attend meetings about your complaint if required to do so.
- 2.13 If you have a concern which you wish to raise in order to provide feedback on any aspect of your experience at NMITE, but which you do not feel is a complaint as such, you should bring the matter to the attention of one or more of the Student Representatives, and/or to the Director of Registry and Student Life, and/or express your concerns through NMITE's student evaluation and feedback mechanisms.
- 2.14 Complaints lodged over three months after the act or omission, or those lodged over three months after you have withdrawn or graduated will only be considered in exceptional circumstances. All such submissions should be sent directly to the Director of Registry and Student Life (and must include evidence as to the cause for such a delay).
- 2.15 A record will be kept of all the complaints received by NMITE, and each complaint must be copied/notified to the Director of Registry and Student Life upon receipt.
- 2.16 The Director of Registry and Student Life will provide an anonymised summary of all the complaints received, including lessons learned and any associated Action Plans on a quarterly basis to the NMITE Senior Leadership Team, the NMITE Board of Trustees, and the student body.

3. The Stages of the Student Complaints Resolution Procedure

- 3.1 There are three possible stages included within the Student Complaints Resolution Procedure at NMITE:

Stage 1 Informal Resolution

Stage 2 Formal Departmental Investigation & Resolution

Stage 3 Formal Institutional Review & Final Resolution

4. Stage 1 – The Informal Resolution Stage

- 4.1 NMITE encourages students to raise issues as soon as they become aware of them to enable straightforward complaints to be resolved as quickly as possible using local resolution. Stage 1 can also be used for difficult

interpersonal matters where early resolution strategies such as facilitated discussion may be beneficial prior to escalation to a formal complaint.

- 4.2 You should contact the area of NMITE in which your problem arose. You can do this in person or by email to register your complaint. You will receive email confirmation of the receipt of your complaint within 2 working days*.
- 4.3 An identified member of NMITE staff will contact you within 5 working days* to work with you to try and resolve your complaint as swiftly as possible.
- 4.4 The outcome of your Stage 1 complaint will be communicated to you via your NMITE email address within 20 working days* of you having raised your complaint. This communication will address the key elements raised in your complaint and explain the reasons for the determinations made, including any agreed resolutions.
- 4.5 If you are unhappy with your Stage 1 outcome you can then submit a Stage 2 complaint, which must be submitted within 10 working days* of receiving your Stage 1 outcome, otherwise your complaint will be closed.

(* 'working days' are defined as a Monday to Friday working week, excluding UK Public Holidays)

5. Stage 2 – The Formal Departmental and Resolution Stage

- 5.1 Stage 2 is the next step if you are dissatisfied with the outcome of informal resolution attempted at Stage 1, or where informal resolution is not possible or appropriate due to the complexity or seriousness of the case.
- 5.2 Please note: the issues that have led to a Stage 2 complaint will normally have already been considered under Stage 1, unless there are exceptional circumstances therein which indicate that Stage 1 would be inappropriate.
- 5.3 If your complaint is about the content or quality of your academic programme and/or a service or facility provided by NMITE you should complete the Stage 2 Complaints Form and send it to registrar@nmite.ac.uk
- 5.4 Examples of services and facilities include the following:
 - Estates and Facilities (e.g. residential maintenance, grounds etc.).
 - Finance (e.g. tuition fees, accommodation fees etc.).
 - Information Services (e.g. the Library, learning resources etc.).
 - Information Technology (IT infrastructure, Wi-Fi etc.);
 - Marketing (e.g. website, marketing materials).

- Registry (e.g. academic regulations, registration etc.).
 - Student Services (e.g. student accommodation, student funding, counselling etc).
- 5.5 You will need to provide full details of the complaint and the resolution you are seeking including all relevant supporting evidence/documentation. This may include independent medical evidence, reports by professionals, financial information or witness statements. You are also encouraged to seek advice and assistance prior to completing the Stage 2 Complaint Form– for example, from Student Support Services or your Personal Tutor.
- 5.6 NMITE will manage all complaints in a sensitive manner. However, you may wish to indicate that your complaint or elements within it (for example, a statement from a witness or medical evidence) to remain confidential.
- 5.7 Upon receipt of your formal complaint, an NMITE member of staff will undertake an initial evaluation to check that the complaint is submitted under the right procedures, within any deadline, and in the required format. If the complaint is accepted for consideration, your Stage 2 complaint will be allocated to a member of staff who has not previously been associated with the issue/complaint itself or the Stage 1 process. You will receive confirmation of receipt of your Stage 2 complaint to your NMITE email address within 2 working days*and will be informed as to who is investigating your complaint.
- 5.8 The appointed member of staff will investigate your complaint and you will receive a written response via email within 30 working days* of your full complaint submission. (Where it is not possible to adhere to this timeframe, the reasons for the delay and the revised date for completion will be sent to you in writing before the expiry of the original 30 working days*). You may be invited to attend a meeting with the investigating member of staff, so that you both understand the purpose and scope of the investigation. The staff member investigating the complaint may also talk to key staff or other students and consider documents and other evidence.
- 5.9 If your complaint includes serious allegations of misconduct against another individual or individuals, it may be that the relevant staff or student disciplinary process may need to be used for investigation or determination of the outcome in conjunction with this Procedure. This would be communicated to you at the earliest possible opportunity, as it may affect the timescales for completion of the Stage 2 process.

- 5.10 The investigating staff member will produce a report based on their investigations and will include the process followed, the information gathered, the conclusions drawn and any recommendations. The outcome of your Stage 2 complaint and copy of the report will be communicated to you via your NMITE email address and will provide both the outcome and a full explanation for the determination made on each of the elements raised in the complaint. This communication will also include any agreed resolutions.
- 5.11 If you are not happy with your Stage 2 outcome, and providing you satisfy certain criteria, you can then submit a Stage 3 Review Complaint, which must be submitted within 10 working days* of receiving your Stage 2 outcome, otherwise your complaint will be closed, and you will receive a Completions of Procedures letter.

(* 'working days' are defined as a Monday to Friday working week, excluding UK Public Holidays)

6. Stage 3 – The Formal Institutional Review and Final Resolution Stage

- 6.1 Stage 3 provides a route of appeal to a higher body for a review of the process(es) undertaken at Stage 2, to ensure that the appropriate procedures were followed, and that the decision made at Stage 2 was reasonable. The review stage will not usually consider the issues afresh or involve a further investigation.
- 6.2 All parties involved in the investigation and determination of an outcome of a complaint under Stage 3 will be offered appropriate support by NMITE to ensure adherence of our duty of care towards students and staff.
- 6.3 In summary, you may submit a Stage 3 Review so long as you meet one or more of the following criteria:
- i. there is evidence of procedural irregularity or bias at Stage 2.
 - and/or,
 - ii. the outcome of Stage 2 is considered unreasonable based on the evidence presented.
 - and/or,
 - iii. there is additional material evidence, which it was not possible to present at Stage 2.

- 6.4 You should complete a Stage 3 Review form and send it to registrar@nmite.ac.uk. It must include copies of the correspondence in relation to the conclusion of your Stage 2 process. You are also encouraged to seek advice and assistance prior to completing the Stage 3 Review Form – for example, from Student Support Services or your Personal Tutor.
- 6.5 You should send your completed Stage 3 Review form to registrar@nmite.ac.uk – to be marked for the attention of the senior member of staff indicated below:
- President and CEO for HR, Estates, Finance, IT, Marketing, Fundraising, Partnerships and Planning.
 - Chief Academic Officer for all academic matters and learning and teaching, Registry and Student Services.
- 6.6 You should make your Stage 3 submission within 10 working days* of receipt of the outcome of Stage 2 (unless suitable evidence can be provided to support the delay of your submission, e.g. medical evidence).
- 6.7 If your Stage 3 complaint is about a member of the Senior Leadership Team (as listed in 6.5 above) your submission should be marked “Private and Confidential”, for the attention of the Chair of the Board of Trustees, and sent via email to registrar@nmite.ac.uk.
- 6.8 If it is decided that your grounds for submitting a Stage 3 Complaint do not meet the grounds or circumstances set out above, the recipient of your Stage 3 submission will inform you of that decision and the reasons in writing, normally within 10 working days* of receipt of your Stage 3 Complaint.
- 6.9 If it is decided that you have valid grounds for the progression of a Stage 3 Complaint, the member of the Senior Leadership Team will convene a Stage 3 Review Panel to adjudicate on the case.
- 6.10 A Stage 3 Review Panel will be chaired by the identified member of the Senior Leadership Team and will normally consist of one senior member of NMITE staff, not previously involved in responding to any other Stage in your complaint, and a student representative.
- 6.11 You will be informed via email of the Stage 3 Review Panel and be invited to attend to present your case. You may have a friend, or a fellow student accompany you to provide appropriate support, guidance, or

representation. However, the friend may not be a lawyer acting in a professional capacity.

- 6.12 You may present relevant written evidence to the Stage 3 Review Panel, either in addition to or in lieu of your attendance, and this must normally be provided 5 working days* in advance of the hearing, unless suitable evidence can be provided to support the delay of your submission (for example, medical evidence).
- 6.13 After you have presented your case, you and your representative will be asked to leave the meeting and the Stage 3 Review Panel will then consider all the evidence submitted and determine the decision on the Stage 3 Complaint and any appropriate remedy to be undertaken.
- 6.14 You will be informed in writing of the outcome of your Stage 3 Review Panel within 10 working days* of the Panel finalising its decision or receive a written indication of the likely timescale within 10 working days* of the date of the Stage 3 Review Panel.
- 6.15 The decision of the Stage 3 Review Panel will be provided to you in writing via email and will conclude NMITE's internal procedure.

(* 'working days' are defined as a Monday to Friday working week, excluding UK Public Holidays)

7. Completion of Procedures, and the Office of the Independent Adjudicator (OIA)

- 7.1 The OIA is an independent body set up to review student complaints about higher education providers in England and Wales; their service is free for students.
- 7.2 If you are dissatisfied with the decision made at Stage 3 of NMITE's process, you may be able to complain to The Office of the Independent Adjudicator (OIA), provided the complaint is eligible under OIA rules, that the internal procedures have been concluded and the Completion of Procedures letter has been provided.
- 7.3 Information about the role of the OIA and the procedure for submitting complaints can be obtained from the OIA website: www.oiahe.org.uk

Please note: Referrals to the OIA normally have to be made within twelve months of the date of issue of the Completion of Procedures Letter.
