## 1. Prevent Strategy

1.1 Section 26 of the Counter-Terrorism and Security Act 2015 places a duty on NMITE to have a due regard to the need to prevent people from being drawn into terrorism. To ensure we carry out this duty, we need to:

- Self- assess and identify the level of risk
- Ensure all staff have access to relevant training
- Ensure welfare support for students is in place
- Effective IT policies in place

*(Source: Prevent Duty Guidance for England & Wales, HM Government)*

1.2 The Prevent Strategy is part of the overarching Safeguarding provision at NMITE. [Safeguarding Policy 20-21](#)

## 2. Single Point of Contact:

2.1 The HR Director (People and Culture) for operational delivery of Prevent- related duty is the Single Point of Contact for Prevent and is a member of the Herefordshire Prevent Steering Committee (consisting of representatives from health, police, council and education). Termly meetings take place to develop the Herefordshire Prevent Protocol and links are made with neighbouring Prevent panels, the regional Channel Panel and the West Midlands Regional Prevent Lead for FE and HE.

## 3. Risk Assessment

- 3.1 Herefordshire is currently considered a ‘low risk’ area, with the potential to become ‘high risk’. Risk will be assessed in accordance with West Mercia local policing plan and an information sharing protocol with West Mercia Police has been established.
- 3.2 Where members of staff are concerned about changes in a student’s behaviour, or, where the threat from an individual student is known, the HR Director (People and Culture), with the Registrar will carry out a risk assessment, necessary support will be put in place and Channel referrals will be carried out where appropriate.
- 3.3 The table below shows the risks NMITE face relating to extremist and terrorist activity and are included in the Risk Assessment

Main Objectives	Indicative Risks	Significance	Probability	Action	Comments
NMITE has appropriate procedures and plans in place to manage its exposure to unexpected events	Student/s develop extremist views	High	Low	Accept Risk	NMITE ‘Prevent’ strategy reduces tendency for students to develop extreme views
NMITE has appropriate procedures and plans in place to manage its exposure to unexpected events	Terrorist incident arising from extremism	High	Low	Accept Risk	NMITE lock down policy will reduce potential impact of such an event

A detailed Prevent Risk Assessment is found in Appendix 1.

## **4. Staff Development**

- 4.1 All new members of staff take an online Prevent awareness training programme as part of their initial training. This will be followed up by a formal training session by an external provider.
- 4.2 All staff take part in annual training to raise awareness of Prevent. The basis of this training includes WRAP – based training on the factors that lead to extremist ideas and how certain changes in student behaviour should be reported to the HR Director (People and Culture). Relevant staff will be briefed about individual cases on a need to know basis.

## **5. Pastoral Care, Support and Guidance**

- 5.1 Each student is allocated to a Personal Tutor who is responsible for the oversight of the student's work, conduct and general progress. The Personal Tutor will encourage students to talk openly about their protected characteristics, including their beliefs and practices. Personal tutors will raise concerns with the Registrar/Student Services. The Single Point of Contact will make a Channel referral if necessary.

## **6. Equality**

- 6.1 NMITE's [Equality, Diversity and Dignity in the Workplace Policy 22-23](#) outlines how due regard to the Equality Act 2010 is given to all policies, including this strategy.
- 6.2 All students are made aware of equality and diversity and how these relate to the Prevent agenda via the [Student Equality Diversity and Inclusion Policy 20-21](#) and during their induction.

## **7. Student Engagement**

- 7.1 Students are consulted regularly about different aspects of life within higher education, including those relating to Prevent. The views of students will continue to inform NMITE policies.

## **8. External Speakers**

- 8.1 An external speaker or visitor is used to describe any individual or organisation who is not a student of staff member and who has been invited to speak to students and/or staff. This includes any individual who is a student or staff member from another institution. Guest speakers work with members of staff closely to ensure that equality is advanced and their work with students does not encourage extremism.

- 8.2 All speakers or visitors should be made aware by the person or group 'hosting' them that they have a responsibility to abide by the law and NMITE's policies, including they:
- i. Must not advocate or incite hatred, violence or call for the breaking of the law.
  - ii. Are not permitted to encourage, glorify or promote any acts of terrorism including individuals, groups or organisations that support such acts.
  - iii. Must not spread hatred and intolerance in the community and thus aid in disrupting social and community harmony.
  - iv. Must be mindful of the risk of causing offence to or seek to avoid insulting other faiths or groups, within a framework of positive debate and challenge.
  - v. Are not permitted to raise or gather funds for any external organisations or cause without express permission of NMITE.

## 9. IT Policies

- 9.1 NMITE's [IT Acceptable Usage Policy 21-22](#) outlines our expectations for appropriate usage and how filtering restricts access to harmful internet content. In the event of a serious breach, NMITE will take any action necessary, including working with outside agencies including, but not limited to, the Police, Security Services etc.
